

Mounting Plate Alternate

22.2.5
22.2.4
22.2.6

Description

The alternate mounting plate is designed to be used on surfaces other than drywall - for example: millwork, glass, stone, etc. The mounting plate will accommodate a wide range of finish material thicknesses and accept any of the 22 System operative components.

Installation

Drilled and mounted behind rigid material.

Materials

Polycarbonate

Finishes

White

Patents

US # 7,956,295 B2 & 8,912,439 B2
Worldwide utility patents pending.

Certifications

Best practice statement: For ease of future access or maintenance, we recommend a single incoming wire to the junction box (no J-box splices) immediately behind the 22 System receptacles.
